

BIT Final Year Project – 2016

Final Dissertation Submission

The students who listed below can find the comments for their final year project dissertation.

Only the students who have asked to submit the final Hard Bounded Copy (HB), can submit the Hard Bound copy of your final dissertation and the CD to the Examination branch of the UCSC **on or before the mentioned deadline** after addressing the comments if any. You need to upload the softcopy (PDF version) to the VLE using the link given as “Final Dissertation Submission – set 2” under the topic six (06) before the same deadline. You have to use <https://vle.bit.lk/project/login/index.php> to login to the VLE and select the “IT6105 Individual Project 2016” course to find the upload link.

Refer the section 3.5 and 3.6 at page 10 and 11 of the Project Guideline 2016 for the required format of the Dissertation and the CD. You are advised to burn the CD less than 16x speed to be able to read in any CD reader.

Please note that student is totally responsible for the correctness of the final dissertation and the working condition of the CD. If any faults on the submitted dissertation and/or the CD are found, the results will be hold unless the required actions taken.

Students who have not been asked to submit the HB need to contact the project coordinator via bitpro@ucsc.cmb.ac.lk with the explanation for not addressing the given comments immediately.
